MAKE NEW CHEMICAL PRODUCTS

PRODUCES GLUE, TOOTHPASTE -- Zagreb, Vjesnik, 27 Feb 51

The "Luksor" Chemical Products Factory in Zrenjanin recently began the production of glue and tooth paste. Glue was previously produced by only one factory in Zemun. The production of tooth paste has not proceeded satisfactorily because of a shortage of tubes. Production will increase after contracts with tube factories have been signed. The first quantities of the above items will soon be on the market.

ETHEREAL-OIL DISTILLERY TO BEGIN OPERATION -- Ljubljana, Slovenski Porocevalec, 20 Mar 51

Recently an ethereal-oil distillery was completed in Obrh, which is 16 kilometers from Novo Mesto. This distillery, which is the 18th distillery of this kind in Slovenia, will also be the largest in the republic. The main workshop includes three, 2,000-liter stills. Other ethereal-oil distilleries in Slovenia have only one or two such stills. If the distillery at Obrh works three shifts, it will produce 18 kilograms of ethereal oil per day, or about 4,500 kilograms per year.
